Dexter is a beautiful, bone strong, muscular male dog, free, and quiet at being and evened. He is so interesting because he can be very hard and happy at work. He is every time at the winners when is at an tournament. And he is always great at protect work. All this preferences he will give also his puppies. Dexter will bring only black puppies. Dexter is this year in Apolda at the World Championships. Judge, Armin Hoppe at the ZTP: "For improve the efficiency and the being in every respect recommended"
